

HELP RAISE FUNDS FOR LOCAL ANIMAL RESCUE

The funds we are seeking to raise will go towards reducing the rescue's vet bills which average \$27,000 per month (as per the charity annual report for 2022). Those costs include vet work to desex or spay, vaccination shots, vet work for more challenging cases that may include emergency vet visits, surgeries like amputation, antibiotics and various tests to narrow down the cause of an illness or determine the severity of an injury. All other costs like food, litter, deworming and flea treatments are absorbed by our wonderful volunteers at their own expense .or donated by our generous supporters

:The rescue offers various community programs including

- Last Litter Program
- Surrender Program
- Palliative Care Program
- Domestic Violence Temporary Pet Accommodation
- Supporting homeless and pet owners in need with pet food

:Their impact this year to date includes

- Rehoming 419 animals to forever homes and counting
- Over 250 animals still in care
- Vet expenses surpassing \$240,000
- unpaid volunteers who work together to make a difference 150
