

SUPPORT JD BOYD'S RECOVERY

JD Boyd is a friend to so many in the Nashville Film community and will be out of work for weeks or months to come. For those not in the film contracting world, this means he will not have an income and a lot of bills which is a scary, stressful thought for all of us to imagine. For this reason, I am starting this campaign without Josh's request to provide him with the means to pay hospital bills and most of all, to get a new vehicle. Let's show Josh HOW MUCH WE LOVE HIM by sacrificing the money we would use to get a coffee, eat out, or buy a new toy we don't .need, and instead providing Josh with the SUPPORT A FRIEND DESERVES

This campaign's donations will entirely go to Josh Boyd for the purchase of a vehicle and to pay for the unexpected expenses resulting from his accident.

!!!Thank you so much
